FIND YOUR BALANCE

Be it health and wellness, professional development, diversity and inclusion, or personal growth, **Find Your Balance** is intended to help you align your values to personal and organizational objectives.

Find Your Balance is a mutual commitment. Employees take advantage of available resources and SLHS pledges to promote a culture of balance and structure. Saint Luke's goal is to provide an atmosphere where employees feel safe, productive, and respected—and where its leaders demonstrate balance at work and in their own lives.

Blue KC Rally: The Blue KC Rally system integrates an annual health survey that allows all employees and spouses on the medical plan to track their personal health stats, participate in online disease management coaching, participate in wellness walking and healthy habit challenges, earn rewards, and track employee and spouse progress toward completing the My Wellness Matters—Wellness Credit program for the next benefit year.

Paid Time Off, Extended Sick Leave, and Leave of Absence at a Glance
