

Signing Up For Your mySaintLuke's Account

Activation Code

You will need an activation code to enroll in mySaintLuke's.

Need an activation code?

- Call your Saint Luke's provider's office.
A staff member will text or email you a code.

Important note: The code is valid for 24 hours after receiving via text message, so please be ready to start your sign-in process as soon as possible once you receive it.
- Call mySaintLuke's Customer Service at 844-446-5479.
- View your most recent After Visit Summary (AVS).
Your code will be located on that document.
- Request a code online at mySaintLukes.org.

Important note: There could be a wait of up to 7 days. Please do not use this option if your scheduled virtual visit is within the next 7 days.

Contact your provider's office for your activation code.
