INNOVATION ♦ HOPE

The Best Place to Get Care. The Best Place to Give Care.

Saint Luke's Health System (SLHS) recognizes that its continued success depends on the health and wellness of employees. So it's only fitting that employees and their families have access to a quality and comprehensive array of benefits.

Our partnership with Blue Cross and Blue Shield of Kansas City (Blue KC) helps provide our employees with coverage choices that best fit their lifestyles, family needs, and financial responsibilities.

And we are dedicated to providing benefits and health enhancement programs to help you find your balance for your physical, emotional, spiritual, and financial health.

To truly live our vision of being “The best place to get care; the best place to give care,” Saint Luke’s knows we need employees who are valued, recognized, supported, and compensated fairly for the quality work they do.

Health Plan Benefits at a Glance

Eligibility: 40 scheduled hours per pay period.

Effective: For the medical benefits: the first of the month after the employee's date of hire. For all other benefit plans: the first of the month after completing 90 days of employment.

Choose from two medical plan options: the SLHS Signature Medical Plan and the Blue KC High Deductible Health Plan (HDHP) with a health savings account (HSA) attached. Both plans offer special pricing benefits when you and your family use Saint Luke's facilities when medical care is required, and both plans provide 100% coverage of in-network preventive care exams.

Benefit options

Prescription Drug: In the SLHS Signature plan, prescription drug coverage is based on three co-pay tiers: generic (\$25), preferred brand (\$70), and non-preferred brand (\$110). Lower co-pays are available when you use the SLHS outpatient pharmacies.

Saint Luke's Strikes a Healthy Balance

Saint Luke's Health System is a culture of balance and structure. Our goal is to provide an atmosphere where employees feel safe, productive, and respected—and where their leaders demonstrate balance at work and in their own lives.

Be it health and wellness, professional development, diversity and inclusion, or personal growth, our employee benefits and programs help you align your values to individual and organizational objectives.

The My Wellness Matters well-being platform allows all employees and spouses on the medical plan to track their health stats, participate in telephonic health coaching, join in healthy habit challenges, and track progress towards completing the Wellness Credit program for the next benefit year.
